

LIKITH K GOWDA

Electronics & Communication Engineer | Aspiring Software Developer

+91-7676511921 | ikithkgowda2003@gmail.com | Tiptur, Tumkur District, Karnataka, India

CAREER OBJECTIVE

Results-driven Electronics and Communication Engineering graduate seeking an entry-level Software Development role where I can leverage my foundation in programming, embedded systems, and AI/ML. Committed to continuous learning and contributing to innovative, real-world technology solutions.

TECHNICAL SKILLS

- Programming Languages — Python, C
- Embedded Systems — Microcontrollers (Arduino), Digital Signal Processing
- AI & Machine Learning — Fundamentals via internship training
- Tools & Productivity — Microsoft Office Suite (Word, Excel, PowerPoint)
- Protocols & Interfaces — RFID, Serial Communication, Sensor Integration

EDUCATION

Global Academy of Technology, Bengaluru <i>Bachelor of Engineering – Electronics and Communication Engineering</i> CGPA: 7.02 / 10.0	2021 – 2025
Govt Boys College, Tiptur <i>Pre-University Certificate – PCMB</i> Percentage: 70.00%	2019 – 2021
Govt Boys High School, Tiptur <i>Secondary School Leaving Certificate (SSLC – Class X)</i> Percentage: 82.08%	2018 – 2019

PROJECTS

Fingerprint-Based Car Security System using Arduino & RFID

Technologies: Arduino, RFID Module, Fingerprint Sensor, Embedded C

- Designed a keyless entry and push-button ignition system for automobiles.
- Integrated RFID and fingerprint sensor modules to enforce dual-layer authentication and prevent unauthorized vehicle access.

Accident Prevention System for Railways

Technologies: IoT Sensors, AI-based Monitoring, Real-time Alerting

- Built a safety system to detect and prevent potential railway accidents using advanced sensor technology.
- Implemented AI-based monitoring and real-time alert mechanisms to identify track obstacles and mechanical failures.

INTERNSHIP

Scontinent Technology Pvt. Ltd. <i>Trainee – Artificial Intelligence & Machine Learning</i>	2024
- Gained hands-on exposure to core AI and ML concepts including supervised learning, model training, and data preprocessing. - Applied Python-based tools and frameworks in a structured internship curriculum under industry mentorship.	

DECLARATION

I hereby declare that all information provided above is accurate and true to the best of my knowledge and belief.

Place: Tiptur, Karnataka
